

All library programs are free and open to the public.

## Sensory Events @ OBPL

Bring the whole family out for special sensory programs on Friday evenings starting at 6pm!

Sensory experiences can be a motivating factor in your child's learning experience. These programs are designed for families of children with special needs, giving them a chance to explore and socialize with hands-on activities in a safe environment.

### 2nd Friday of each month—**Sensory Surprise**

*Join us for a different sensory program each month, such as storytime, movie screening, etc. Check the online calendar to see what's happening this month!*

### 4th Friday of each month—**Sensory Play**

*Drop in to investigate and examine sensory stations, such as a ball pit, rice pool, water beads, and more. Be ready for messy, fun play!*
